Dear Sponsor,

I am participating in the **Capital Area Community Services** Walk for Warmth. Each winter **Capital Area Community Services** holds the annual Walk for Warmth to raise funds and awareness for emergency utility assistance across Lansing/East Lansing area. Living without heat is a dangerous reality for many of our neighbors facing utility shut-offs. *Every dollar raised* will help provide emergency heating assistance to local Lansing/East Lansing families.

Our goal is to raise \$50,000 by walkers for this heating season.
