

Oakland Livingston Human Service Agency (OLHSA) is accepting Request for Proposal (RFP) for contractors under two different programs. The first program is weatherization contracting services under the Weatherization Assistant Program (WAP). The second program is for Minor Home/ Minor Mobile Home Repair under the Community Development Block Grant (CDBG) program. Both programs provide contracting services to clients in Oakland and Livingston Counties.

The requirements and due dates are as follows:

The minimum requirements to become a contractor under WAP are:

- Licensed and insured
- 3 years' experience in weatherization preferred;
- Ownership of a blower door and blown in-insulation equipment required

The minimum requirements to become a contractor under CDBG are:

- Licensed and insured
- 3 years' experience in construction preferred

Timeline to submit:

- Release date of RFP is August 7, 2017
- Due date is August 18, 2017 at 2:00 p.m.
- ***Late qualifications will not be considered***

Please contact Dawn Rigg, Assistant Director of Community & Energy Services, at dawnr@olhsa.org or call 248-209-2769 to obtain the RFP package or with any questions.
