Overview:

The goal of the Summer Conference is to provide a variety of workshops on relevant topics for staff, board members and volunteers involved in the work of Community Action Agencies. We encourage proposals that support creativity and innovative practices while providing an interactive component rather than those that consist solely of a lecture style. The theme for the conference is *Community Action, Community Care: Perseverance, Innovation, and Transformation*.

Proposals are due by March 8, 2022.

General Workshop Information:

Please take note of these suggested workshop elements as you plan your workshop proposal; we will consider these as we make our final workshop selections:

- **Goals:** Identify goals for participants who attend your workshop.
- **Learning:** Identify what methods you will use to encourage active learning (participatory) versus passive learning (listening).
- **Handouts:** Providing a handout during your workshop will help attendees follow your presentation, and can provide suggestions for further resources, including a bibliography.
- **Q&A:** Allow time for questions and answers from participants.

Logistics:

- Workshops will be 75 minutes long.
- The conference agenda will provide 4 breakout blocks with 4-5 workshop options (in-person)/ 2-3 (virtual).

Requirements for Presenters:

- All presenters must uphold the conference code of conduct.
- Presenters will provide a photo, topic summary and biography for conference agenda and marketing purposes.
- In-person presenters will be responsible for bringing their presentation on a thumb drive.
